Vegan	Billie Dibb & Ellie Kerr	60
Wine	Billie Dibb & Sean Young	80
Yoga	Rebecca Dion & Siena James	100
Total		3235

The University of London gives ULIP SU a budget of 9000 euros per year to be spent on societies, welfare, social space and SU Events and Expenses. The societies budget is split between the 25 societies and charities at ULIP. Many of them have had their budget increased in line with the SU policy of encouraging events to raise money for End of Year Ball. We also increased the budgets for welfare and social space in order to improve student wellbeing.

FIRST QUARTER

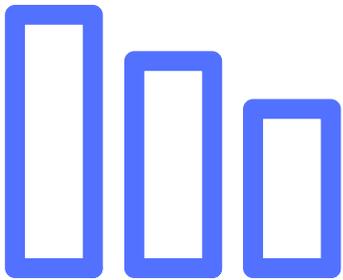

ACCOUNTS

ULIP SU's financial year runs from August to August, so the first quarter runs from the 1st of August to the 31st of October. Entries 1-8 date from June and July, which were just bank fees and reimbursements.

During Freshers Week, we made a profit of 522.18€ as it currently stands, although some people owe/are owed money. Please come and see me if this is a case. This profit is great because we can reinvest this money throughout the rest of the year

Income	4835.99
Ball Venue	2850
Other Freshers Supplies	1463.81
Profit	522.18

For the consent and new drug and alcohol workshops, we spent a total of 1507.06€ (8-9, 10-16), however 633.61€ of this has since been refunded from ULIP as we had a deal to pay split the cost.

We have had many society events so far this year, with many more to come! However, only two events have made a profit so far. It's really important that the student body stays engaged with events. Loads of great events are happening at ULIP all the time and at the end of the year the profits will go towards subsidising the End of Year Ball, making tickets cheaper for everyone and letting us have the best EOYB possible!
